Brand New Car Going Going.....

On 29th November 2008, one lucky visitor to the WA Country Builders display homes in Albany will be walking away with a brand new car valued at \$16,000. There is only two more weekends to go to enter the competition.

Agonis Gardens, Yakamia contains the Stirling display home and the other three homes are situated within the Oyster Harbour land development. One of these homes is the custom built Royal Flying Doctor Service (RFDS) *Flying 1000* Charity Home.

By completing an entry form found at each of the houses and then visiting all homes to have their entry form stamped, all entrants have the chance to win a KIA Rio.

Each Monday for the past eight weeks, an entrant has been picked out to receive a key. On 29th November 2008 at 1pm at the RFDS *Flying 1000* Charity Home all 10 key winners will try their luck, with the winner unlocking the treasure chest and winning the car.

A gold coin donation is required to enter, with all proceeds going towards the RFDS, who provide an outstanding service to the Great Southern community.

The Stirling is a large single storey family home with 243 square meters of living, including a double garage, 4 bedrooms, 2 bathrooms, theatre room, activity area, study and alfresco area. This home is for sale for \$670,000 and to build this home on your own block is from \$265,866.

The RFDS *Flying 1000* Charity Home is a project of Oyster Harbour Joint Venture, WA Country Builders and the RFDS. The proceeds of the Charity Home project will be solely directed to raising funds for life saving medical fitout equipment in each new aircraft purchased.

The RFDS Charity Home- aptly named the Cloncurry after where the first RFDS base was located, is a custom built four bedroom 2 bathroom home, positioned perfectly on a corner block, with an expansive open living and dining area, separate activity room, and double car garage with all family areas facing north.

The home is on the market for \$585,000 to be sold with \$55,000 worth of furnishings.

The other display homes located at Oyster Harbour - Southern Haven and Harbourside, are single storey 3 bedroom, 2 bathroom homes and are able to be built on a clients block from \$196,137 and \$210,199 respectively.

The RFDS *Flying 1000* Charity Home and WA Country Builders display homes are open to the public on Saturdays and Sundays from 1pm – 5pm and on Wednesday from 2pm-5pm.
