Amazing Views at Amazing Prices

17 select lots have just been released at the Oyster Harbour land development - all with sweeping views over the picturesque harbour and at unbelievable value.

These not to be missed blocks of land range in size from 495 to 693 square meters and are priced between \$165,000 and \$230,000.

Demand has been strong with two lots already been sold since the release last week, with savvy buyers knowing a great deal when they see one.

There are also a handful of blocks left at Oyster Harbour priced between \$130,000 to \$145,000 – perfect for the first home buyers to snap up before the federal grant runs out at the end of September 2009.

August is a busy month at Oyster Harbour with the \$1.3 million worth of landscaping, boardwalks and a man made water feature within the estate due to be completed.

The Oyster Harbour development is a joint venture between developers Heath Development Company and the Department of Housing and Works, and upon completion will provide Albany with a world class master planned community.

Selling Agent is Ray White Albany on 9841 0288 or visit the sales and information centre on site at Oyster Harbour.
